Genuine spare parts

Solaris Optiline – quality first

- Line of high quality genuine Optiline filters and brake pads
- Genuine parts dedicated to Solaris vehicles in various specification always fully available
- Reduced maintenance costs thanks to Optiline parts

Go for quality and choose Optiline – genuine spare parts dedicated to Solaris vehicles in various specifications. Optiline filters and brake pads are recommended by the Solaris Engineering Team and applicable in buses of the Urbino family. Optiline reliability will significantly reduce the vehicles' downtime, and the competitive price will cut down total fleet maintenance costs.
