PRESS RELEASE

See you in Paris next week!

Bolechowo, 1.06.2026

On Tuesday, 9 June, the Mobco 2026 trade fair begins in Paris. It is a flagship event organised by GART and UTPF, two key French organisations in the public transport and urban mobility sector. The event will last three days, until 11 June. At our stand, we will present our zero-emission model – the Urbino 12 electric, in a version featuring an innovative architecture based on a modular drive.

We will be waiting for you at our stand no. 95 in hall 4 at the Paris Expo Porte de Versailles exhibition centre. See you there!

**About Solaris Bus & Coach sp. z o.o.**

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 28,000 Solaris vehicles have been delivered so far and they ply the streets in 870 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Solaris 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
