

PRESS RELEASE

'Solaris talks' forum invitation

Bolechowo, 09.10.2019

Dear All,

We would like to remind you to visit us at this years' Busworld 2019 in Brussels. Apart from our state-of-the-art, zero-emission vehicles, we have prepared a series of meetings within the 'Solaris talks' forum.

As part of 'Solaris talks' we will share our experience and information about our products. However, we also wish to invite our guests to discuss about modern technologies used in the area of e-mobility and the changing image of public transport. The topics of short presentations opening the discussion will concern, among others types and selection of batteries, charging systems for buses and trolleybuses, hydrogen vehicles or remote diagnosis for electric buses.

Please find further details on the 'Solaris talks' attached. We will be waiting for you at 1:00 p.m. every day during Busworld 2019 (**from 18th till 23rd October**) at our stand located in Hall 5.

Our press conference will take place on 17th October at 9.30 at our stand located in Hall 5.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
