

PRESS RELEASE

Start of the registration for #SolarisTalks 2021!

Bolechowo, 31.08.2021

One of the most electrifying events of the upcoming autumn is just around the corner. Registration for #SolarisTalks 2021 has started. The event will be held on the October 7th and participation is free of charge. Do not wait and register right now!

#SolarisTalks 2021 is a conference dedicated to electromobility. On the October 7th participants will have a chance to listen to the presentations prepared by Solaris experts. Speeches will concern two crucial parts of the e-mobility sector: electric vehicles and hydrogen technology. Each part of presentations will be followed by a panel discussion with experts, experienced in implementing the most modern solutions. In addition to the main programme, we are preparing Q&A sessions, networking and a specials, as well. The special guest of the event is Peter Hinssen, a serial entrepreneur, an author, futurologist.

More details are available on – just launched- event website.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
