

PRESS RELEASE

The winter issue of Solaris Customer Magazine available now

Bolechowo, 04.01.2022

We invite you to read the latest issue of Solaris Magazine, available in Polish and English. It was prepared in a digital version, adapted to mobile devices, with an interactive table of contents and active links relating to the multimedia materials.

[In this edition of Solaris Magazine](#) we return to the two biggest events of the year: the premiere of our newest 9-meter battery bus and the #SolarisTalks conference, fully dedicated to electromobility. We look at the Venice electrification project and Madrid's green transformation. We also look back at this year's fair events: Transexpo in Kielce and Czechbus in Prague.

We wish you a pleasant and interesting reading!

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
