

PRESS RELEASE

Join us at the launch of the Urbino 18 hydrogen bus, and the #SolarisTalks 2022 conference

Bolechowo, 01.08.2022

The online launch of the hydrogen-powered articulated Urbino 18 hydrogen bus made by Solaris will take place on 14th September. As part of the same event, the manufacturer invites you to an international e-mobility conference #SolarisTalks 2022.

Slated for 14th September in an online setting, **the launch of the Solaris Urbino 18 hydrogen bus** is one of the most important industry events this autumn. The latest model is a new generation hydrogen-fuelled vehicle in the zero-emission offering of Solaris. Along with the unveiling of the new innovative bus, Solaris invites you to the third edition of the **#SolarisTalks** conference. This event, dedicated to e-mobility, is an exceptional opportunity to listen to experts' presentations and to learn from the experiences of practitioners who develop modern zero-emission public transport.

Both events will be live streamed and can therefore be followed online on the manufacturer's website www.solarisbus.com. Prior registration is not required.

See you on 14th September!

More details to follow soon.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
