

## PRESS RELEASE

### The Winter issue of Solaris Customer Magazine is now available

Bolechowo, 20.12.2022

**We would like to invite you to read the latest issue of our Solaris Customer Magazine. The launch of the Urbino 18 hydrogen bus, #SolarisTalks, trade fairs, nested transport – these are just a few of the various topics covered in this issue. Our Magazine is available in Polish, English and German.**

The latest issue of the Solaris Customer Magazine includes extensive coverage of the most important event of the year, i. e. the launch of Solaris' new hydrogen model, the Urbino 18 hydrogen bus. The launch was accompanied by the third edition of the e-mobility #SolarisTalks conference. In the winter issue of the Magazine we also report on the most recent industry trade fairs and take you through our latest servicing solutions. As part of the Modern Cities series, we explain what nested transport is all about. You will find these and many other articles in our Solaris Customer Magazine.

Our Magazine is available in Polish, English and German. A digital version has been optimised for mobile devices and is available [HERE](#).

We hope you will enjoy this issue of the Magazine. We would also like to wish you a peaceful and joyful Christmas time and we hope that all of your dreams come true in the New Year!

##### **About our company**

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
