

## PRESS RELEASE

### Solaris Customer Magazine goes digital

Bolechowo, 05.09.2023

**Solaris Customer Magazine is now available in a new digital version, rich in articles, photos, and videos from the company's life. The magazine, which has been published for more than 20 years, has undergone a real transformation: from print to digital. We cordially invite customers, journalists, co-workers and fans of our brand to visit [magazine.solarisbus.com](https://magazine.solarisbus.com).**

The Solaris Customer Magazine, a periodical published by the producer for more than 20 years, has adopted a modern, fresh, and eco-friendly formula. Through the website [magazine.solarisbus.com](https://magazine.solarisbus.com), we will keep you up to date with the company's activities, the latest contract wins, industry events, product developments, and bus tests. The information conveyed through the magazine is plentiful with various forms, including infographics, short video materials, photos, articles, and interviews.

"The new magazine brings a different level of communication with the market. I am pleased that through this new platform, we will be able to be even closer to you and share our perspective in real-time. We are embarking on a new chapter, guided by the latest trends, a new format, and even more possibilities," said Javier Iriarte, CEO of Solaris Bus & Coach. We recommend watching [the short video](#) with the CEO's invitation to the new platform:

To stay up to date with company news, we encourage you to subscribe to the newsletter on [Solaris' official LinkedIn channel](#). This newsletter will be fully dedicated to the Solaris Customer Magazine.

**Enjoy your reading, and see you online at [magazine.solarisbus.com](https://magazine.solarisbus.com).**

##### About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
