

PRESS RELEASE

Luca Cordiviola to lead intercity bus division at Solaris

Bolechowo, 18.09.2023

Luca Cordiviola joined Solaris as the Interurban Platform Director in August. He will be responsible for expanding the company's offering in the field of zero-emission intercity buses. The development of this segment is part of Solaris' strategic initiative.

Expanding the European presence in zero-emission intercity buses is one of Solaris Bus & Coach's strategic plans for the coming years. The team responsible for this area will be led by Luca Cordiviola, who joined the company in August as the Interurban Platform Director.

"We are delighted to welcome Luca to the team. His knowledge and experience will provide a solid foundation for the Interurban sector within our company. I am convinced that the strength of Luca's experience and that of our teams, as well as Solaris' innovation potential, will enable us to establish a strong market position in the field of zero-emission intercity vehicles. I wish him every success and good luck in his everyday actions," said Javier Iriarte, CEO of Solaris Bus & Coach.

Luca Cordiviola brings 30 years of experience in the automotive industry to Solaris. He has worked in companies such as Iveco, Irisbus, and IIA Bredamenarini, where he held key executive positions in product strategy and business management. He also brings extensive international experience gained in various countries in Europe and Asia.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
