

PRESS RELEASE

Solaris invites to upcoming industry trade shows

Bolechowo, 05.09.2024

Solaris will participate in the most important industry events across Europe during the 2024 trade show season. Visitors are warmly invited to visit the company's booth at these upcoming exhibitions.

Solaris is pleased to announce its presence at several key trade shows and industry events in the coming weeks and months. These events provide an excellent opportunity for direct meetings with Solaris team, exchanging experiences, and discussing the dynamic changes and challenges facing the public transportation sector.

This year, Solaris will be present at the following events:

- **EUMO (European Mobility Expo)**
Strasbourg, October 1-3, 2024
- **International Fair of Public Transport TRANSEXPO**
Kielce, October 16-18, 2024
- **FIAA (International Fair of Bus and Coach)**
Madrid, October 22-25, 2024

We cordially invite you to visit our booth at the trade shows. We look forward to seeing you soon.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
