

PRESS RELEASE

Solaris Urbino 10.5 electric at Next Mobility Milano 2026

Mediolan/Bolechowo, 06.05.2026

Next week, Next Mobility Milano 2026 will take place from 13-16 May in Milan. Solaris will present the Urbino 10.5 electric – a compact bus designed for cities seeking agile, high-capacity, fully electric vehicles for operation on routes with limited space and in dense urban environments. Visit us at stand B02 C11 in Hall 9!

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
