

PRESS RELEASE

Save the date: Solaris at FIAA 2026

Bolechowo, 21.07.2026

From September 22 to 24, Solaris will take part in FIAA 2026 in Madrid. We will present the Solaris Urbino 15 LE electric, a 15-metre, three-axle electric bus designed for both urban and interurban operations. Join us on 22 September at 11:30 for our press conference. As Solaris celebrates its 30th anniversary this year, we would also be delighted to welcome you to our anniversary event on 22 September at the Solaris stand from 18:00.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
