

## PRESS RELEASE

### The most environmentally friendly buses in Poland

Bolechowo, 03.01.2007

**Eight new articulated Solaris Urbino 18 buses have entered service in the Eastern Polish city of Olsztyn on the 3rd of January, 2007. These are the first vehicles of their kind in Poland, powered by a Diesel engine**

Emission values for Diesel engines according to  
respective standards in the EU guideline

Euro 3

CO g/kWh

HC g/kWh

NOx g/kWh

PT g/kWh

smoke m<sup>-1</sup>

The chart above illustrates that through the solution utilized, Solaris Urbino buses produce well less exhaust emissions than even defined in the threshold values of the Euro standards. Already now, the new vehicles are thus well prepared for the implementation of the strictest standard towards the end of the year 2009.

Technical parameters of the Solaris Urbino 18:

Interior length / width / height:

Engine

Gear box

Tank capacity:

AdBlue-container:

Front suspension:

Drive axle

Center axle:

Door layout

Seats:

##### **About our company**

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
