

## PRESS RELEASE

### Solaris at the InnoTrans 2010

Bolechowo, 27.09.2010

**In 2005 Solaris, already with a well established position on the bus and trolleybus market, decided to expand the scale of its operations. The InnoTrans 2010 trade fair was the best scenario to present the**

Solaris Tramino on the German market.

More detailed information to the Solaris low floor tram are available here in the InnoTrans 2010 Solaris press information.

##### **About our company**

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
