Solaris will deliver 43 Solaris Urbino 12 city buses to Austrian national bus operator & delivery will take place between 2013 and 2017 and is a part of the operator's fleet renewal programme. In the next five years ÖBB Postbus is going to order up to 700 city and intercity buses, adapted to meet all passengers' needs. Thanks to this investment project, the percentage of accessible vehicles in the fleet will rise to 87 per cent by 2017.

The cooperation between ÖBB Postbus and Solaris began in 2009 with the order of fourteen Urbino 10 midibuses. So far, Solaris vehicles are operated by over twenty Austrian operators in such diverse locations as Vienna, Salzburg and the Alpine resort of Mayrhofen.

#### **About our company**

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which

is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
