

PRESS RELEASE

#SolarisTalks 2021 – see you tomorrow!

Bolechowo, 06.10.2021

Tomorrow, Thursday, October 7, at 10:30 a.m., #SolarisTalks 2021, one of the most electrifying events this fall, begins. It is a conference fully dedicated to electromobility, prepared 100% by industry experts and practitioners.

How to participate in #SolarisTalks? You only need to fill out a short registration form, available at solaristalks.com. In response, you will receive a unique link allowing you to access the event. Participation in the conference is free of charge!

Why to take part in our conference? The #SolarisTalks 2021 gives you the great opportunity to:

- watch four presentations dedicated to battery solutions and three presentations focusing on hydrogen technology,
- listen to debates during two discussion panels with practitioners,
- be inspired by the speech of special guest: Peter Hinssen,
- exchange of experiences with experts in the field of e-mobility,
- take part in networking sessions with Solaris representatives,
- enjoy additional attractions that... will surely surprise you!

The event will be hosted by TV and radio journalist, announcer Maciej Kautz.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the

prestigious 'Bus of the Year 2025' title.
