

## PRESS RELEASE

### Save the Date: Solaris at Mobility Move 2026

Bolechowo, 03.03.2026

**From March 10–12, we invite you to join us at Mobility Move 2026 in Berlin, where we will present the Urbino 10,5 electric – a zero-emission model based on our modular drive concept. Visitors will find us at stand no. 39. During the event, our experts will deliver two presentations discussing: the use of data and AI-driven fleet performance optimisation, and strategies for extending the operational lifetime of electric buses. We look forward to seeing you in Berlin!**

##### **About our company**

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Over 25,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
