

## PRESS RELEASE

### Romania once again chooses zero-emission Solaris buses

Bolechowo, 11.08.2026

**The public transport operator in Sfântu Gheorghe is once again investing in the expansion of its zero-emission bus fleet by choosing electric buses from Solaris. The signed contract covers the delivery of 22 electric buses in the second half of 2027.**

Solaris has signed a contract with the public transport operator in Sfântu Gheorghe for the delivery of 22 battery-electric buses. Under the agreement, the Romanian operator will receive vehicles in three different lengths: 12 Solaris Urbino 9 LE electric buses, 8 Solaris Urbino 12 electric buses, and 2 articulated Solaris Urbino 18 electric buses. The delivery of the zero-emission vehicles is scheduled for the second half of 2027.

Each ordered Solaris vehicle will be equipped with modern Solaris High Energy batteries. In all vehicles, the batteries will be charged using plug-in chargers.

Solaris is one of the leading suppliers of public transport vehicles in Romania. To date, the manufacturer has delivered more than 850 buses and trolleybuses to the Romanian market, including over 600 fully zero-emission vehicles.

##### **About our company**

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Almost 30,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
