

PRESS RELEASE

Save the date: Solaris at TRANSEXPO 2026

Kielce/Bolechowo, 01.09.2026

From October 14 to 16, Solaris will be present at TRANSEXPO 2026 in Kielce, Poland. We will showcase two zero-emission buses: the Solaris Urbino 10.5 electric, making its debut in Poland, and the new generation of the Solaris Urbino 12 hydrogen. On October 14 at 11:00 a.m., we invite you to the Solaris Bus & Coach press conference at the Kielce Trade Fair Congress Centre in hall no 9. This year, we are also celebrating Solaris' 30th anniversary.

About our company

Solaris Bus & Coach sp. z o.o. is a leading producer of city and intercity buses in Europe. It focuses on the development of low-emission and zero-emission vehicles, i. e. electric and hydrogen buses as well as trolleybuses. Almost 30,000 Solaris vehicles have been delivered so far and they ply the streets in 850 towns and cities across 33 countries located throughout Europe as well as beyond it. Solaris is part of the Spanish CAF Group (Construcciones y Auxiliar de Ferrocarriles) S.A. From conception, to the design and manufacturing phases, all Solaris buses are produced in Poland. All activities undertaken by the company are in line with its mission, which is reflected in the brand's promise: to change the image of public transport. Solaris also actively partners with public transport operators and provides them with comprehensive support in their transition to zero-emission mobility. Solaris products have been repeatedly awarded for quality and innovation. The Urbino 18 hydrogen bus has won the prestigious 'Bus of the Year 2025' title.
